Many of Steps' faculty serve as judges and choreographers for competitions and dance events around the country. Present your performance piece to our faculty and receive one-on-one advice and coaching on all aspects of the presentation.

**Audition Workshop:** Prepare your students for the real thing. This simulated professional audition helps students gain confidence, skills and practical knowledge on the art of auditioning.

**Lecture/Discussion:** Steps has a wide network of professionals who are available to share their expertise with your students and parents on important topics such as nutrition, finding an agent, headshots and resumes.
